Andorra la Vella / Andorra la Vella

Apartment located in the centre of Andorra la Vella, on the most important commercial axis of the country and very close to the Pyrénées department store.

It stands out for the high quality of its finishes and for having large terraces.

Access to the apartments, both pedestrian and by private vehicle, is via Doctor Molines Street, the street behind Meritxell Avenue, which allows for privacy at the entrances.

The building has two lifts in a single stairwell, for quick vertical communication, and they are accessed from the main hall located on Doctor Molines Street. These lifts connect all the parking and residential floors.
