It is Casa Lluís Guarro, built in 1922 by the modernist architect Josep Puig i Cadafalch, who created Casa Amatller and Casa de les Punxes. The building is listed as a building of interest.

This stately home is located on a 4th floor of real height, it has 147 mts, with lots of natural light and large windows adapted to the new requirements, ensuring the best soundproofing, without losing the catalogued aesthetic.
