Fantastic 176 sqm apartment to renovate for sale in L'Antiga Esquerra de l'Eixample, with a private terrace of 30 m². This is a very unique property, completely in need of renovation, on a building that is in the process of rehabilitation. The single-story house has a north orientation in the living room and a south orientation at the other end of the property. It is a house with high ceilings, which preserves hydraulic floors and various original elements that may be very interesting when carrying out the renovation.
