Marítim / Cubelles

Flat with tenants. Durán Carasso presents a 70m2 designer flat located in the town of Cubelles, in the province of Barcelona. One of the main attractions of this town are its long beaches, its natural environment and the perfect communication by train and road with the city of Barcelona and the airport of El Prat.

This luxury flat, designed by a Barcelona studio, has been built with high quality natural materials.

The space is composed of a living room, dining room, the details of the sofas, work benches and kitchen with a large island, differentiate the uses and atmospheres for each moment of the day. The bedroom, dressing room and bathroom are hidden behind a door. Adding to the charm of the flat is a beautiful terrace, to enjoy the outdoor space all year round.

The flat has smooth whitewashed or stippled walls, continuous cement floors, white colours, and dark wenge wood, Mediterranean airs and a quiet luxury to enjoy a relaxed lifestyle that connects us with the environment of this charming town.

The property allows the space to be extended with a second single bedroom.
