Plot for sale in Olivella

Ref. 1996

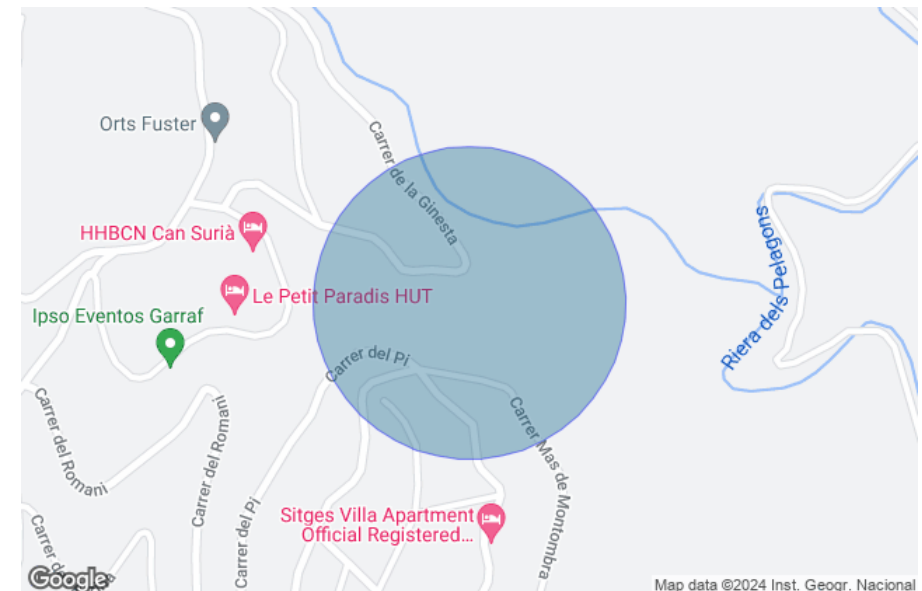

In the Les Colines de Olivella Urbanization, we present this fantastic 1,041 m² plot with a Southeast orientation that could be the beginning of your new life.

It is a piece of land that due to its size and orography (there is not an exaggerated slope) it is possible to build a generously sized house surrounded by nature.

Besides, the urbanization is very quiet and is very close to both Olivella and Vilafranca, so communications are good.

Don't miss out on this opportunity!
