## Sant Pere de Ribes / Garraf

In the old town of Sant Pere de Ribes we present this beautiful townhouse to renovate from 1900. It is a house with the charisma of the buildings of the time and thanks to its location, enjoys beautiful views, lots of light and an enviable peace.

When we enter the house we find an open kitchen on the right hand side and a dining table on the left hand side. If we continue straight on we reach the living room and on the right hand side we find a toilet, a living/reading room and a room that could also be used as an office, as in almost all the room, there are large windows that fill the different spaces with light.

We go upstairs and reach the night area with 3 double bedrooms, all of them exterior and a full bathroom with a skylight that lets in sunlight. Two of these rooms share a nice balcony.

On the top floor there is a nice terrace with spectacular views of the village and the mountains.

The house has central heating.

If you are looking for a village house, with lots of light and incredible views, do not hesitate to visit it.
