La Plana / Sitges

Duran Carasso presents this house project for sale in La Plana.
Project of the architecture studio Co Arquitectura.

La Plana is an area in full growth, due to its good location due to its proximity to the center of Sitges, the good communication of the new roads and very close to all services make this area currently one of the most demanded.

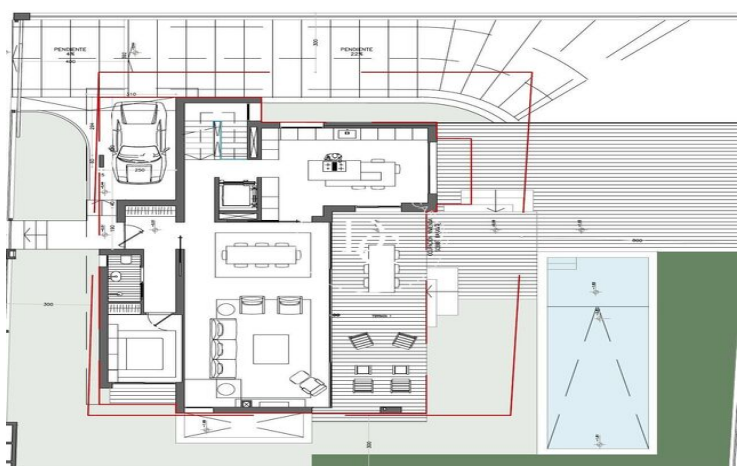

The house would consist of 3 floors, in the basement we find the garage with capacity for 2 cars, machine room, bathroom and storage room.

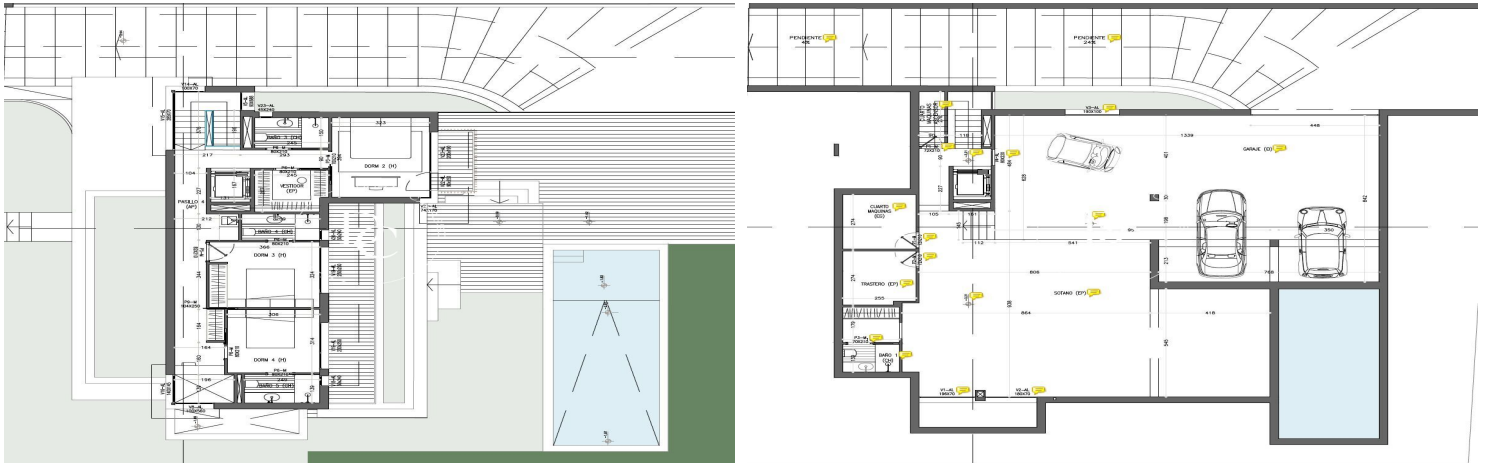

On the first floor we find the day area with direct access from the living room to the porch and the garden with a private pool. On this floor we find the kitchen and an en-suite room with a full bathroom.

On the second floor we find 3 double rooms, all of them en suite with access to a large terrace.

Open the house of your dreams in one of the areas with the most demand to live in Sitges.

Live where you deserve to live.
