Emissions rating	Pending	✓ Community pool	
Year of construction	2005		

Upon entering the house, you are greeted by a spacious open area, divided into 2 levels with a lovely view of the garden and pool area. On the first level, there is a foyer, a guest bathroom, and a beautiful open kitchen with a bar, fully equipped with high-end appliances. On this same level, next to the kitchen, there is a dining area. Stepping down a level, you enter the generously sized living room with a beautiful fireplace, which opens to the porch and garden.

The outdoor area of the house is truly delightful, being a corner lot, it is much larger than most other houses, allowing for various spaces and a highly enjoyable garden. To start with, one of the house's improvements is the beautiful heated pool, yes, you heard right, heated to be enjoyed all year round, which we will explain further.
