Montgavina / Sitges

Duran Carasso presents this property with a garden and private pool located in the Montgavina area, Sitges.

We access the property through a large automatic door that leads to the parking area of the house, which has capacity for up to 4 vehicles. From this area we enter the house through a beautiful hall with an elevator and storage space. The main floor consists of a bright 36m² living-dining room with access to a large terrace with views of the sea and the mountains, a double bedroom, a single room with access to the terrace, a full bathroom, a laundry area with storage space, and a kitchen with access to the barbecue area. From here stairs give access to the garden area and the pool.

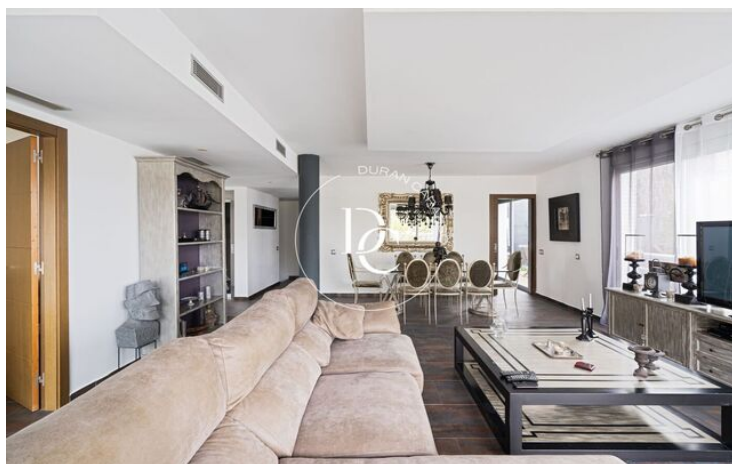

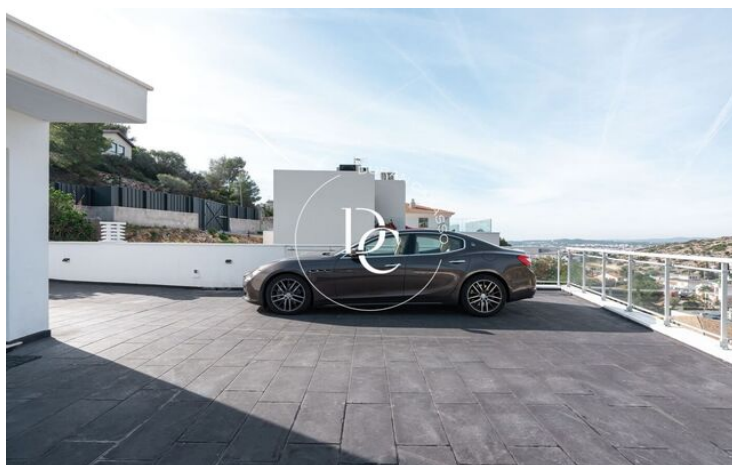

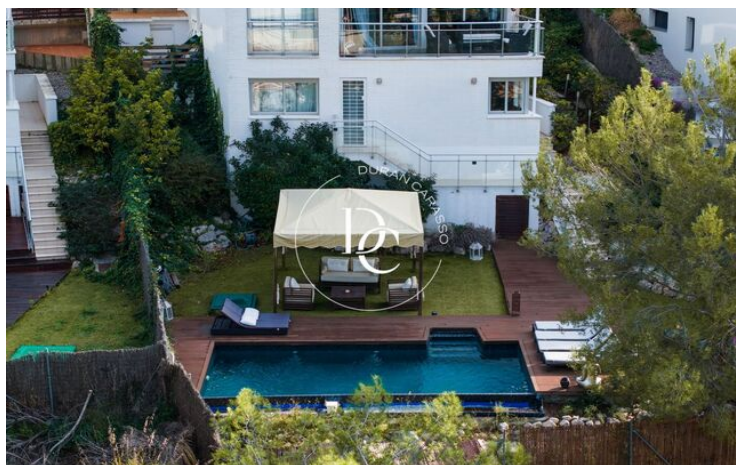

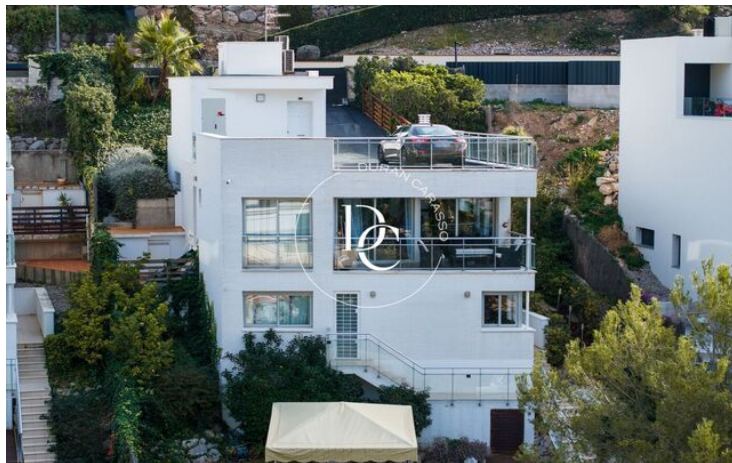

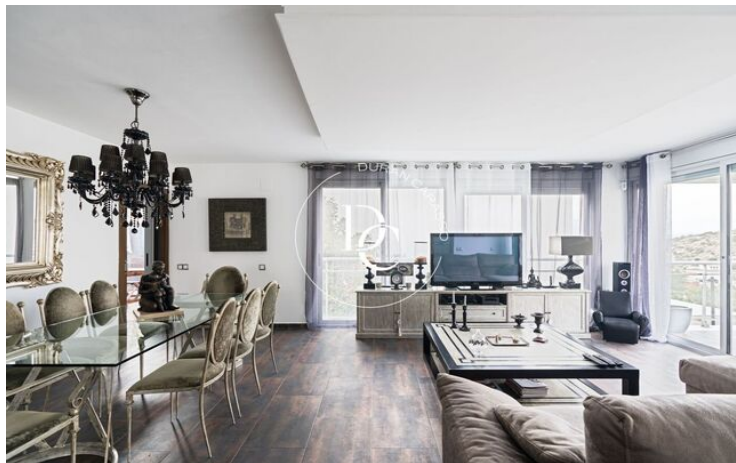

The night area is located on the top floor, distributed in a suite with a dressing room, two double bedrooms, one single and a full bathroom. All rooms have access to the outside, from where you access the garden of the property.

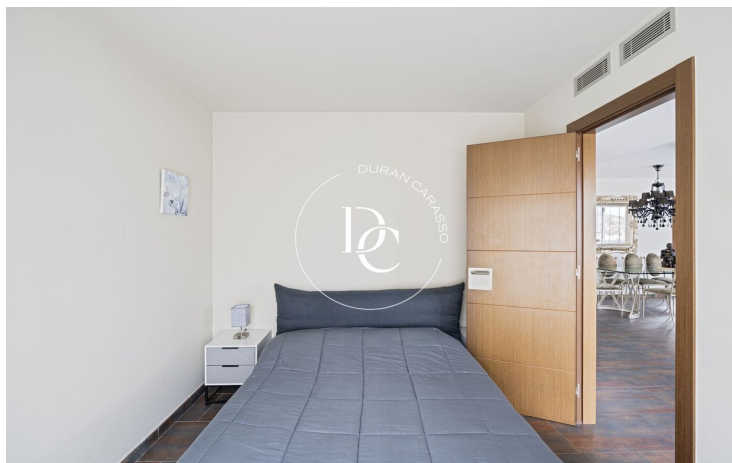

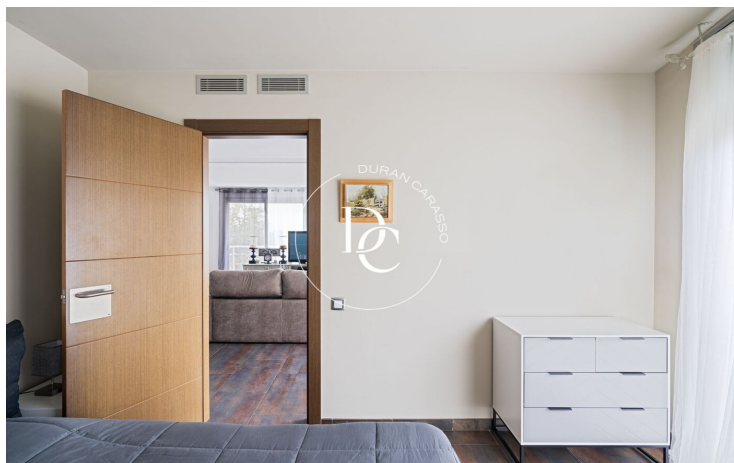

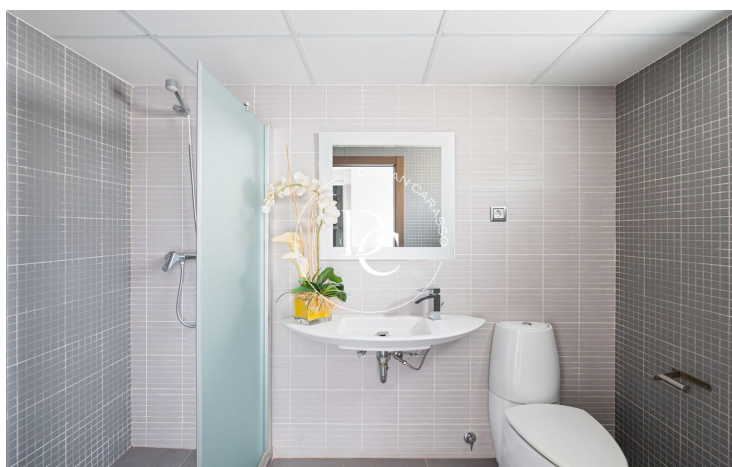

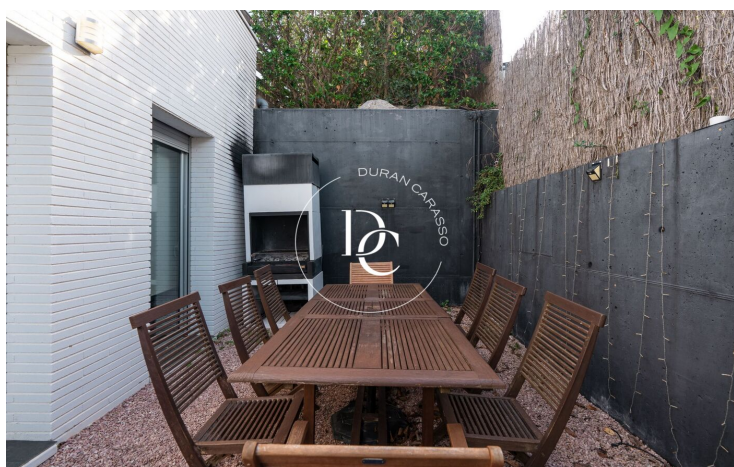

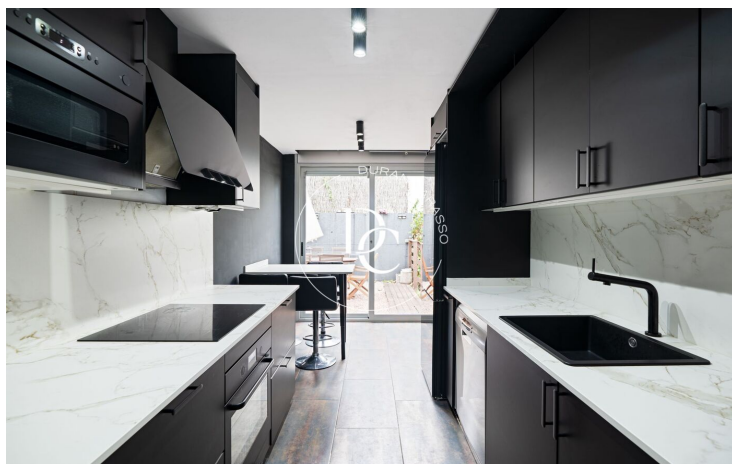

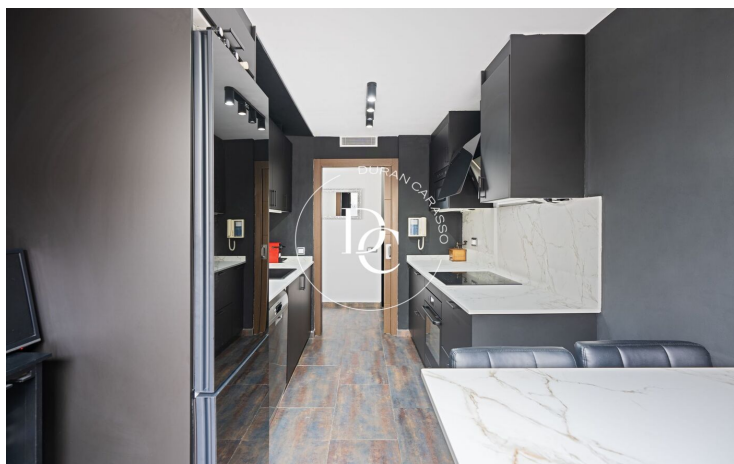

Finally, the garden area is the most lived-in area of the house. With 294 m², this space is characterized by the privacy it offers, which makes it perfect to enjoy with family and friends. We differentiate two areas, one with natural grass, pergola and chill out and another decked area where the pool is located and where you can put sun loungers and enjoy the sunny days.

This house is perfect to enjoy with the family. The home is cozy and familiar as well as practical and useful. The differentiation of environments makes living there comfortable for all members of the house, even for guests.

Do not lose this opportunity.
