Casernes / Vilanova i la Geltrú

If you want to live in the old town of La Geltrú, a quiet, pedestrian area, close to all services and with the best views, this is your home. It is a house from 1992 that has been updated, with 3 bedrooms, 1 bathroom and 2 terraces that give us privileged views of the Geltrú castle.

On the ground floor of the house, we have a garage with space for a car and motorcycle and with direct access to the hall and a dynamic room with a bathroom.

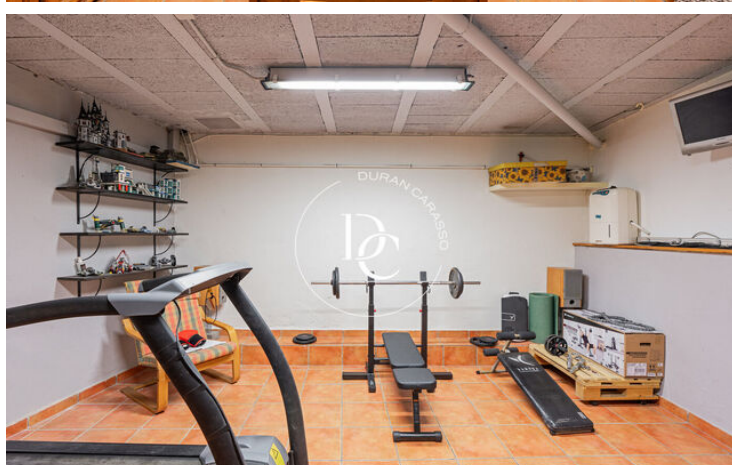

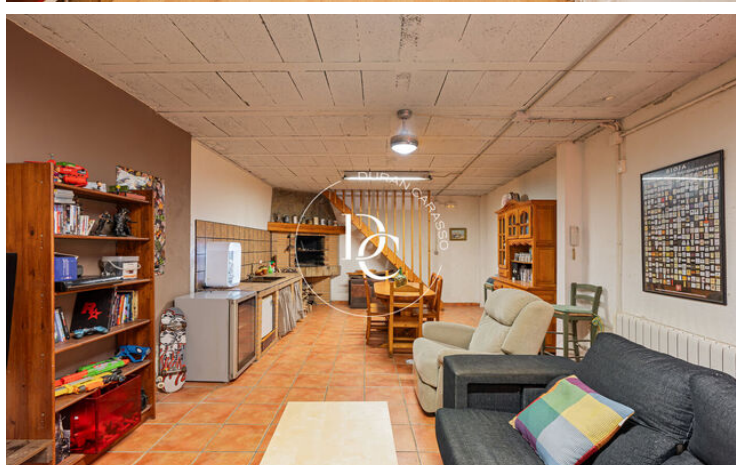

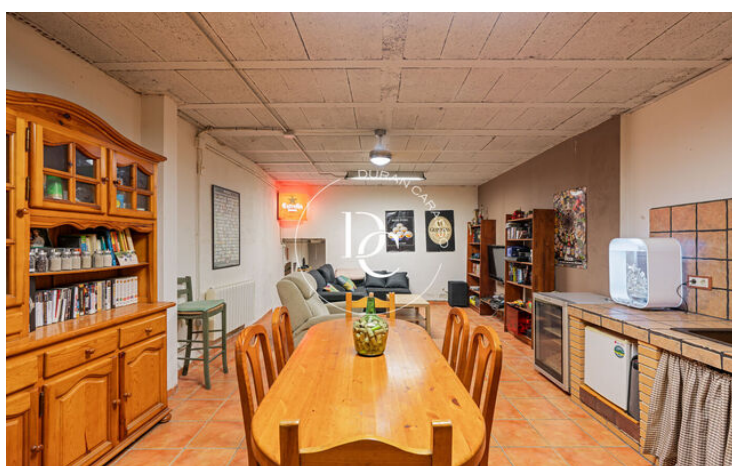

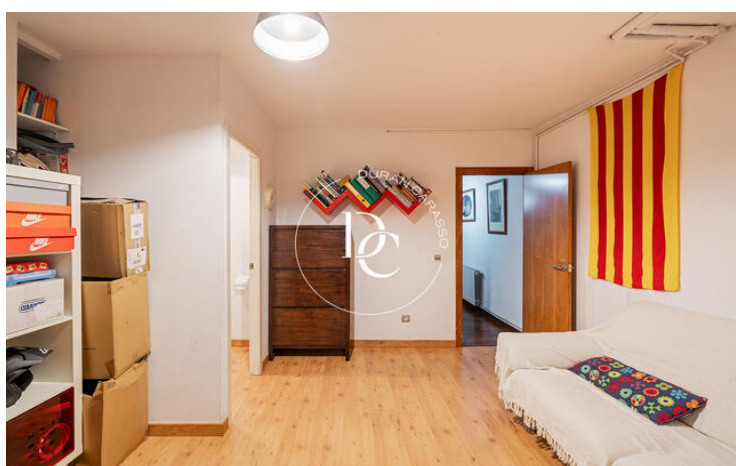

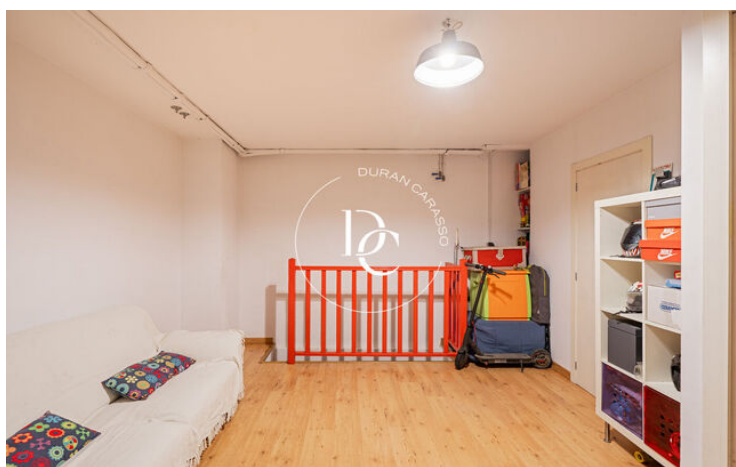

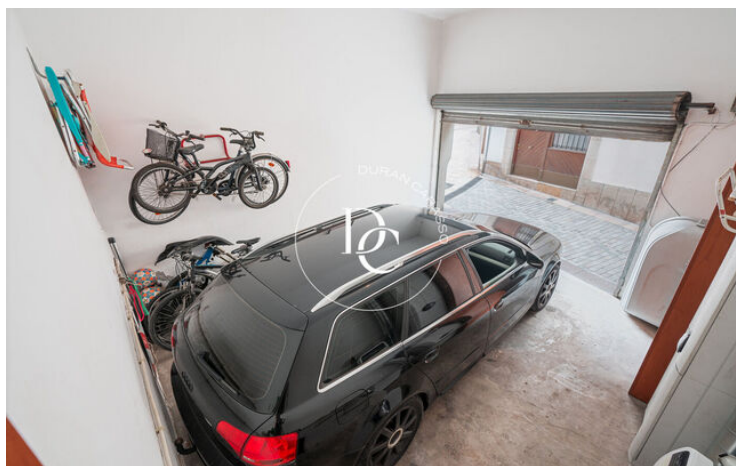

On the first floor we have a large living-dining room with beautiful views of the castle, a fully equipped kitchen with a laundry area and a toilet.

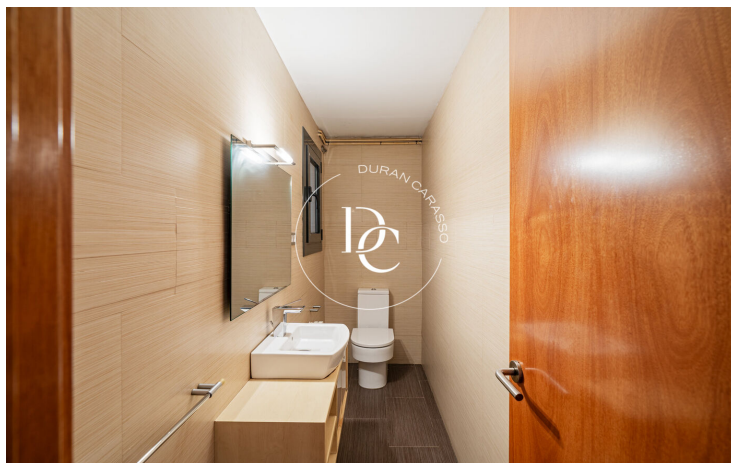

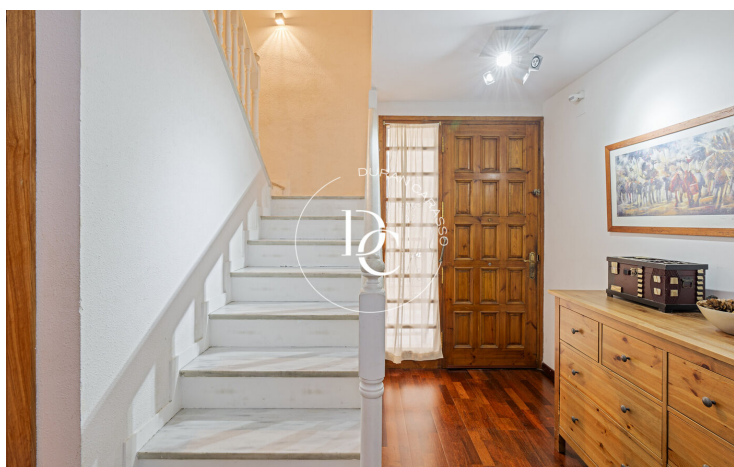

On the second floor we find 3 bedrooms, 2 of them doubles and one single. All rooms are exterior and share a bathroom.

At the top of the house we have access to two terraces, one of them that is currently used as a barbecue area and gazebo or outdoor dining room and another as a chill out area with a jacuzzi and the best views of the old town.

Additionally, in the house there is a basement area where we find another living room, a gym and a cellar.

A very special space in the heart of Vilanova i la Geltrú.
